Profile Summary

Motivated and self-taught software developer currently enrolled in the Power Learn Project, passionate about creating impactful tech solutions. Strong enthusiasm for learning new programming languages and collaborating in tech communities. A hackathon enthusiast eager to gain hands-on experience through real-world projects and team-based challenges.

Education

- Self-Taught Software Developer

Progressing through various online courses and coding bootcamps.

- Currently enrolled in Power Learn Project (Software Development Program).

Technical Skills

- Languages: HTML, CSS, JavaScript, Python (Beginner Level)

- Tools & Platforms: Git & GitHub

- Soft Skills: Team Collaboration, Problem Solving, Fast Learner, Adaptability

Projects

1. Personal Profile Web Card

GitHub: <https://github.com/Saintmocha01/PROJECT1>

A simple web card that displays a person's profile picture, name, short bio, email, and social

media links. It is designed to introduce yourself online using only basic HTML and CSS styling.

2. Business Landing Page Layout

GitHub: <https://github.com/Saintmocha01/PROJECT2>

A basic landing page layout for a business that showcases its brand name, slogan, call-to-action button, and key service features. The project uses only HTML and CSS to build a clean, responsive homepage structure.

Hackathon Participation

- Power Learn Project July 2025 Cohort Hackathon 1

Developed a personal portfolio website to showcase skills, background, and achievements using HTML and CSS.

Collaborated with fellow participants to design and complete the project within 5 days.

Certifications & Courses

- Software Development Program - Power Learn Project (Ongoing)

- Completed beginner courses on freeCodeCamp, Coursera, and YouTube tutorials.

Interests & Activities

- Active member of online coding communities and tech discussion forums.

- Passionate about hackathons, problem-solving challenges, and building impactful projects.

- Interested in learning modern frameworks like React and Django to expand my skillset.
